

STEM EXPLORATION LAB

Four STEM Learning Zone Signs BUILD • DISCOVER • DESIGN • CHALLENGE

Printable signs for classrooms, libraries, homeschool spaces, makerspaces, and community STEM programs.

Ideas for Use:

Print and display the signs to organize STEM activities into four easy-to-recognize learning zones. Use the colors and categories to help children identify different ways they can explore STEM. Activities may fit more than one zone. Choose the one that best represents the primary experience.

STEM EXPLORATION LAB

BUILD

.....

Construct, stack,
and engineer.

STEM EXPLORATION LAB

DISCOVER

.....

Observe, investigate,
and explore.

STEM EXPLORATION LAB

DESIGN

Imagine, create,
and invent.

STEM EXPLORATION LAB

CHALLENGE

Think, try,
and solve.
